

The Canadian Mathematical Society (CMS) welcomes and invites new session proposals for scientific sessions for the 2021 CMS Summer meeting in Ottawa from June 7-11, 2021. Priority will be given to sessions in complementary areas; new organizers are invited to contact existing organizers of closely related sessions to optimize complementarity. Existing sessions can be found [here](#):

Proposals should include

1. names, affiliations, and contact information for two (or more) session co-organizers,
2. a title and brief description of the focus and purpose of the session,
3. a preliminary list of potential speakers with their affiliations, along with a total number of expected speakers.

Potential organizers are encouraged to consider diversity in their selection of session invitees.

Sessions will take place June 7-11. They will be advertised in the *CMS Notes*, on the CMS website and in the *AMS Notices*. Speakers will be requested to submit abstracts, which will be published on the website and in the meeting program.
