Call for Nominations for the 2023 Fellows of the CMS

Calls   March 2023 (Vol. 55, No. 2)

The Fellowship recognises CMS members who have made excellent contributions to mathematical research, teaching, or exposition; as well as having distinguished themselves in service to Canada's mathematical community. In exceptional cases, outstanding contributions to one of these areas may be recognized by fellowship.

The CMS aims to promote and celebrate diversity in the broadest sense. We strongly encourage department chairs and nominating committees to put forward nominations for outstanding colleagues regardless of race, gender, ethnicity and sexual orientation.

Nominations should include a reasonably detailed rationale and be submitted by **March 31, 2023**.

All documentation should be submitted electronically, preferably in PDF format, by the appropriate deadline, to **awards-prizes@cms.math.ca**
